THE RESORT:

With 3 mountains featuring more ski terrain than all other British Columbia resorts (except Whistler) and an outstanding full-service village, it's no wonder why Sun Peaks Resort is quickly becoming our top seller. It offers 117 runs, 2900 feet of vertical, 10 lifts (4 high speed), terrain park, cross-country ski trails, numerous great restaurants, and nighttime entertainment options. Deluxe accommodations at one of Canada's top ski hotels, the Delta Sun Peaks Resort (http://www.deltahotels.com/hotels/hotels.php).

THE TRIP:

- * Friday night is "Outback Pub Night", a great way to relax and have a few laughs after arriving at the resort.
- * A morning group photo, a fantastic day on the slopes, our famous "Outback Apres" party with free appetizers, evening beer & wine sampling, dinner and dancing make Saturday the highlight of the weekend. Not into skiing? Our Spa package options and hot tubs are a great way for non-skiers to unwind.
